Hoffman 'El divo de la canción' [The leading man of songs]

The singer from Malaga is back on stage to celebrate his tenth anniversary in the world of music with *México en la piel*; a great show that pays tribute to the major hits of singers of Mexican music of all times such as Juan Gabriel, Rocío Dúrcal, Chavela Vargas, Pedro Infantes, Luis Miguel and Alejandro Fernández. A great production in which Hoffman accompanied by great musicians, a great conductor of this country and Mexican mariachis will be the protagonists.

After his successful tour *Por siempre Camilo Sesto*, *México en la piel* entails the vocal discovery of Hoffman in the ranchera genre of music.

Hoffman was born in Malaga in 1983 and spent his childhood between Venezuela and Miami, where he began his professional career, which included his role as supporting artist for Jose Luis Rodríguez 'el Puma'[Cougar], who baptised him as 'el Divo de la Canción'. Since then, he has performed in Turkey, Russia, Germany, the United States (Miami, New York) and Morocco, amongst many other countries. Hoffman, however, always returns to his home city to premiere his shows, and from there begin his tours..

Hoffman's unmistakable voice and personality have been recognised with numerous national and international awards, including the Premio Talento / Premios Latino 2018. Hoffman is coming back to the Cervantes theatre with more energy than ever and more mature, demonstrating that he is in top shape.
